House of Representatives
Health & Human Services Committee

THURSDAY, AUGUST 24, 2006, 1:00PM, ROOM 606 CLOB

Joint meeting of the House and Senate Health and Human Services Committees

AGENDA

- **Edward Salsberg**

Director, Center for Workforce Studies
Associate Vice President, Association of American Medical Colleges

Review of issues related to the national supply and demand for physicians and the recent Association of American Medical Colleges recommendation for a 30% increase in US medical school enrollment.

- **Ben Robinson**

Executive Director, Georgia Board for Physician Workforce

Review of trends impacting supply and demand for physicians in Georgia, implications of these trends on medical education and challenges facing Georgia's medical education system.

- **Daniel W. Rahn, MD**

President, Medical College of Georgia
Senior Vice Chancellor for Health and Medical Programs, University System of Georgia

Beyond Supply and Demand: The challenges of producing an appropriate health workforce for the future.

- **Jim H. McNatt, MD**

Medical Director, State Composite Board of Medical Examiners

Updates on implementation of new rules and/or regulations from legislation passed during the 2006 session.

- **Rob Rovier, MD**

Department of Community Health

Updates on Certificates of Need (CON).
